

2009 September 20 Alzheimer's Report

We could not have asked for a more beautiful day! The weather was perfect for a car show, and by 7:15 the cars and trucks started rolling in for a show that was supposed to start at 10:00! Wow. By the end of the day, we had 384 cars, trucks and motorcycles registered. We had a fantastic crew of members and friends working the show – some for the first time, some we haven't seen for a while, and some who have worked all 17 Alzheimer's shows.

Carroll is still counting the money we made selling t-shirts, the raffles, the auction, registration, spectator's gate and donations, but it looks like our total will be over \$20,000.

Special thanks to Golden Gears who donated \$1,200 to the cause, to Pat Kelly who donated \$1,000, and to Sugarloaf Mountain AACA who donated \$500, and Ann Kingsley Edwards who donated \$250 just to name a few. We appreciate everyone who donated time, money or items for the cause. Every donation is important!

Just before the auction, we had an appearance by Elvis who sang several songs, including Happy Birthday to Joanne who worked on her birthday! It was a great addition to the show and everyone enjoyed his performance.

The auction was a huge success. It lasted 2 hours and 20 minutes - several participants in the show actually showed up with some neat contributions to the auction. Some of the highlights of the auction were the Estate Planning donated by Scott A. Morrison, a beautiful handpainted custom mailbox donated by Mark Naylor (to see his designs, go to www.dentmansdesigns.com), a Marilyn Monroe full size standup, and tickets to the Charlie Daniels Band concert. You never know what's going to show up at the auction! Many thanks to Teresa S who unpacked and displayed all the "stuff" and Peggy Kaplan who served as our clerk. Thanks to the efforts of Marsha Z and Ray Wheeler cashing out time went very smoothly! Thanks to JR and Joanne Rosenberger for the use of their nice big top tent to keep the auction in the shade. Thank you to Auctioneer John Roop of Roop's Auction Service, Walkersville, MD.

The moon bounce, sponsored by Harmony Dental Lab, was a huge hit once we borrowed a generator to get up and running. And the kids (and a few adults) had a great time with face painting by Teresa Fourcade.

We had several members who manned the Spectator's Gate, including Ed Ruble, Janet Stein and Frank Smith and the take at the Spectator's Gate was terrific – definitely worth standing out in the road with our hands out!!

Many thanks to John Chance who arranged with the Law Mall to let us cover the No Parking signs again. I don't know where we would have parked all those spectators!

Many thanks to the members and friends who took care of registration. The line moved swiftly and they got all those cars registered in record time! Thanks to those handling the parking duties – it was a chore, I'm sure, to get all those cars and trucks in place! Next year, we hope that our parking crew will use the family talk radios to make their job a bit easier!

Thanks to those working the raffles – we made \$520 at the 50/50, \$477 at the Chinese Raffle and well over \$400 at the Wii Raffle. And thanks to those selling t-shirts – they sold about \$850 in t-shirts! Thanks to John Chance, Mr. Excitement, for handling the door prizes. We gave away a LOT of door prizes!

Thanks to Beth Smith and Carroll Anderson for taking care of tallying the votes and to Janet Stein for organizing the set up of the sound system.

We had 20 vendors - more than ever before, and everyone seemed to enjoy doing some browsing and shopping. Thanks to Butch who organized the vendors. AAA Insurance was there to give quotes on classic car insurance, Angie Cole was there with Cookie Lee Jewelry and the Alzheimer's Association set up a table with information just to name a few!
