**For Sale**—26 Jeremy Mayfield Die Cast Cars and Trucks.

During our Toys for Tots Program, a man dropped these off at one of our collections. All are new in boxes but are not usable as Toys for Children. We would like to entertain an offer for the lot and I would deliver in the Mt. Airy area. Any reasonable offer will be entertained. My guess it would have to be a Mayfield fan as he is no longer in Nascar. All money would be deposited in the Toys for Tots Program to purchase toys for certain age groups that we need to fulfill orders in 2018. Thanks, Jack Flood.
