Mr. Larry Davidson, President  
Heart of Maryland Classic Chevy Club

Dear Mr. Davidson: *Larry*

On behalf of the Alzheimer's Association, please accept my sincere thanks for your generous gift. A total of \$18,576.37 was raised from the Heart of Maryland Classic Chevy Club Car and Truck Show. As you are aware, each new diagnosis affects countless lives and our success at ending this disease depends on the actions we take today. Thank you for joining the Alzheimer's Association's mission and helping us provide:

- *Supportive Services* – The Association offers community-based programs and outreach services to more than 18,000 Marylanders impacted by Alzheimer's disease including the 24-hour Helpline, support groups, emergency grants, care consultation and safety programs for those at risk of wandering and becoming lost.
- *Education and Training* -These programs empower family caregivers with information and help to build a workforce with the skills to offer high quality care for people with Alzheimer's disease and related disorders.
- *Advocacy and public policy* -Through local and national advocacy efforts, the Alzheimer's Association is a vital force for enhancing the quality of dementia care, for promoting supportive services for caregivers and for increasing federal funding for Alzheimer's research.
- *Support of Research* – The Alzheimer's Association has been involved in every major advancement in Alzheimer's and related dementias research since the 1980's and is a leader in the global fight for a world without Alzheimer's. The Alzheimer's Association invests your dollars in innovative projects – from pioneering early studies to complex international collaborations – that hold the most potential to rapidly accelerate progress and change the devastating trajectory of the disease.

Thanks to you, the Alzheimer's Association will continue to offer caring services, and hope for the future, for Maryland families living with Alzheimer's disease and related disorders.

Sincerely,  
*Cass Nangle*
