

27th Annual Alzheimer's Benefit Car & Truck Show at the Frederick MVA

On September 15, under clear, sunny skies and a light breeze, the Heart of Maryland Classic Club welcomed approximately 300 vehicles of all makes and models to the 27th annual Car and Truck Show to benefit the Alzheimer's Association – Greater Maryland Chapter. The show was held at the MVA off I-70 in Frederick, MD.

The show participants, guests and spectators enjoyed a day filled with outstanding vehicles, music, vendors, food, raffles, Shell Gas gift cards, door prizes and fellowship.

Among the vehicles were a new 2019 Chevy Blazer and a 2019 Chevy Silverado pickup displayed courtesy of Fitzgerald Chevrolet/ Cadillac – one of our major sponsors. A representative of the dealership was on hand to answer questions and show off these beautiful vehicles.

The Chinese Raffle offered a wide variety of "baskets" that ranged from an American Girl Doll with accessories to a home tool kit. Most items were provided by HMCCC members and some items were donated by Fitzgerald Car Quest Auto Parts. Many unique items were auctioned off by professional auctioneer, Roger Rothenheofer, who generously volunteers his professional services each year of the show. Again, items were donated by members, friends and Fitzgerald Car Care Auto Parts.

Who could say "No Thanks" to JR and Joanne Rosenberger who dressed in purple attire to sell 50/50 tickets? Two 50/50 drawings were held with ½ going to the winner and ½ to Alzheimer's Association for each drawing.

The first 50/50 netted \$335 to the winner and an equal amount to Alzheimer's and then the winner donated \$80 back! The second drawing awarded \$304 to the winner and an equal amount to Alzheimer's. Congratulations to the winners!

At noon, everyone paid respects to our nation's flag as our national anthem soared out across the show field. The flag flew high over the crowd attached to a large crane provided by Johnson Crane Service.

Between the raffles and auction, hungry guests were able to munch on food provided by our food vendors: In10se BBQ, Café Sabate, Cryin' Johnnies and Bruster's Ice Cream. Also, the Boy Scouts of Troop 460 of Mt. Airy sold snowballs.

Throughout the day, car registration numbers were drawn. The lucky winners each received a Shell gas gift card courtesy of Aspen Hill Shell Station – JR Rosenberger.

As an added treat, our guests listened to a live concert presented by "Let There Be Rock Schools" under the direction of Scott Marceron. Proud grandpa, Carroll Anderson, really enjoyed the music as his granddaughter was the lead singer/ bassist for the group Thunder Underground.

This year's special raffle items were: first place prize – a Bushel of crabs (donated by Westpointe Crab House of Frederick) plus \$200 in MD scratch off lottery tickets (donated by Robert Clubb and Kingsley Edwards). The winners were David and Kim Johnson. The second place prize was \$200 Amazon Gift Card (donated by a HMCCC member). It was won by Sean Kinn. Congratulations to the winners!

Once again, HMCCC was able to raise a significant amount to donate to the Alzheimer's Association thanks to the continuing, generous donations of the supporters of the show.

On behalf of HMCCC and the Alzheimer's Association – Greater Maryland Chapter, thank you for your part in making our 27th annual show a great success.

Mark your calendars—next year our show will be held on September 20, 2020. Save the date! Hope to see all of you at our 28th annual Car & Truck Show to benefit the Alzheimer's Association.

Golden Gears Car Club, again out in force supporting HMCC and Alzheimer's Association, presenting their Club's donation to fight Alzheimer's. Thanks again guys!

Getting a real charge out of Randy Lewis' '59 Chevy Apache pickup, a Top 25 winner at this year's show

I don't know how much Top 25 winner Suzanne Lewis had to pay the Texaco Dude to keep an eye on her '66 GTO but it looks like she got a twofer—he can also make sure the guy is getting charged up on the neighboring Apache.

The Winners!

Alzheimer's Show Committee Chair, Janet Stein presents a special plaque to Frederick MVA manager, Petrona Shiloh thanking the MVA for use of their parking lot for HMCCC 27th annual Car/Truck Show benefiting the Greater Maryland Chapter of the Alzheimer's Association.

Many Thanks Go To . . .

To present a large car/truck show is a major undertaking. Planning for our Alzheimer's Benefit show begins in January of the year and culminates with the show held on the 3rd Sunday in September. Of course this event requires much coordination, preparation and support of many people and businesses. Hence, The Heart of Maryland Classic Chevy Club and the Alzheimer's Association – Greater Maryland Chapter. For all our sponsors and donors who support our club with contributions to the show, we'd like to express our heartfelt thanks to these people and businesses.

A complete list of sponsors and donors can be found in the program for the show. Here are some of the major sponsors and donors:
