Win an HMCCC-built Deuce Hi-boy Roadster

Heart of Maryland Classic Chevy Club is a not for profit organization formed in March, 1993 and incorporated in the State of Maryland. The club was established as an association of members for the purpose of encouraging restoration, preservation and enjoyment of 1955 through 1957 Chevrolet automobiles, including trucks and Corvettes. **HMCCC** has been raising money for the Alzheimer's Association for over 20 years. To date we have raised nearly a half a million dollars in the fight against Alzheimer's.

The Alzheimer's Association works on a global, national and local level to enhance care and support for all those affected by Alzheimer's and related dementias. They are here to help. As the largest, private non-profit funder of Alzheimer's research, the Association is committed to accelerating progress of new treatments, preventions and ultimately, a cure. Through their partnerships and funded projects, they have been part of every major research advancement over the past 30 years. For info: www.alz.org/maryland/in_my_community_59169.asp
